Re Petition to Establish Generic Docket to)
Consider Amendments to Interconnection) Docket No. 04-00381
Agreements Resulting from Changes of Law)

UNOPPOSED MOTION FOR CONTINUANCE

The Competitive Carriers of the South, Inc. ("CompSouth") requests a short delay in the filing of an issues list and the convening of a pre-hearing conference in the above captioned proceeding.

Under the current schedule, CompSouth is scheduled to file an issues list on February 23, 2005, and a pre-hearing conference is scheduled at 10:00 a.m. on March 1, 2005. CompSouth asks that the filing of an issues list be postponed until March 1 and that the pre-hearing conference be moved to Friday, March 4, 2005.

The reason for the delay is that CompSouth is holding a region-wide meeting on February 23 and 24 and, as a practical matter, cannot get together prior to that time for the kind of substantive discussion the formulation of an issues list will require.

CompSouth has contacted Chuck Welch, counsel for SECCA, and John Heitmann, counsel for the CLEC group, and they have no objection to this delay. Similarly, Guy Hicks, counsel for BellSouth, states that BellSouth does not object to this request as long as the pre-hearing conference is not postponed beyond the date suggested here.

CompSouth therefore asks that this request for a continuance be granted.

Respectfully submitted,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
